RE: N.E. Tanya Finishes, Inc.

Dear Mr. LaPlume:

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by N.E. Tanya Finishes, Inc. ("N.E. Tanya") in response to Letter of Deficiency No. ARD 05-002 ("the LOD"). DES has determined that the specific issues addressed in the LOD have been resolved in a manner consistent with the NH Admin. Rules Env-A 100 *et seq.*, NH Rules Governing the Control of Air Pollution. DES issues this Letter of Compliance based upon a determination that compliance with the LOD has been achieved.

Please be advised that DES will continue to monitor the compliance status of N.E. Tanya. This letter does not provide relief against any existing or future violations, and refers only to the compliance issues addressed in the LOD. It is important that N.E. Tanya be aware of and complies with the requirements forthcoming in the Temporary Permit currently being developed by DES for N.E. Tanya's finishing operation. Please feel free to contact DES should you have any questions regarding compliance with the terms and conditions of the permit.

DES recognizes the efforts that the N.E. Tanya has taken to come into compliance. If you have any questions regarding this Letter of Compliance, please contact Tara E. Olson, Senior Enforcement Engineer, Air Resources Division, at (603) 271-4625. Thank you for your cooperation.
